

# Special Opportunity for teachers in schools served by Consumers Energy!

**THINK! ENERGY** with Consumers Energy **BRIGHT KIDS**, an energy education program, is being offered in November.

Teachers and students will **Think! Talk!** and **Take Action!** about resources and energy usage to learn how they can become **BRIGHT KIDS** with wise energy actions to make a difference.

Teachers may receive up to a \$100 mini-grant for classroom use, subject to meeting eligibility requirements. Enroll now to save your spot this November.

## THINK! ENERGY
