- 1 2 3 4
 5+

Program Questions

While not required, these questions help us improve the CenterPoint Energy School Education Program for future classes. We read all of the responses and appreciate your feedback.

11. Has participation in this program changed the way you use energy in your home?

- Yes No

12. Were the kit and products easy for you and your child to install and use?

- Yes No

13. Would you like to see this program continued in local schools?

- Yes No

14. Are you more likely to pursue additional energy efficiency projects as a result of this program?

- Yes No

Do you have comments about this program you would like to share with CenterPoint Energy? (favorite aspects, etc.)

To participate in a brief survey on your experience with this program, or if you would like information on additional programs offered by CenterPoint Energy, please fill out the parent/guardian information below.

Parents/guardians: Only an adult should provide the optional information below. Doing so indicates your consent to participate in a short survey on your experience with this program.

- I do not wish to participate in a brief follow up survey.
 Send information on other programs.
