REWARDING RESULTS

Reward your students

• Give students a scented highlighter when they complete their Home Energy Worksheet (HEW) on paper or online at thinkenergy.org/EfficiencyWorks.
• Giving a completion grade or extra credit may encourage students to complete the HEW.

Reward yourself

Earn a mini-grant of $50 by submitting 80% or more of the HEWs by May 5, 2023.

• Return paper forms in the provided postage paid envelope.
• Please complete the program evaluation online.
• Funds may support classroom activities.
• Check online submissions on the teacher portal. You will need your teacher ID to log in at pas.nef1.org/teacher-portal.

*Offer available for teachers participating in the Think! Energy with Efficiency Works Program. Teachers must submit 80% or more of completed Home Energy Worksheets by May 5, 2023 to earn the $50 Amazon eGift card mini-grant.
