

# SPECIAL OPPORTUNITY FOR MICHIGAN TEACHERS

Consumers Energy is encouraging teachers and students to **THINK! ENERGY** by sponsoring **Take Action!** for the 2014-2015 school year. Participants **Think! Talk!** and **Take Action!** about energy use by taking part in an in-school presentation and installing energy-efficient products at home. The program is free of charge to schools in areas that receive electric and natural gas service from Consumers Energy.

**What:** FREE *Take Action Kits* for you and your students introduced by a 45 – 60 minute presentation by National Energy Foundation.

**Take Action!** is endorsed by the Michigan Department of Education and all materials are correlated to GLCEs and the common core standards.

**When:** March and April 2015

**Where:** At your school

**Who:** 4th and/or 6th grade students and teachers

**How:** Enroll at [ConsumersEnergy.com/thinkenergy](http://ConsumersEnergy.com/thinkenergy) or call National Energy Foundation at (888) 927-9529 if you have questions.

Teachers receive a classroom mini-grant of up to \$100, subject to eligibility.  
Space is limited so **Take Action** and enroll now.
