

Special Opportunity for Michigan Teachers!

DTE Energy
Know Your Own Power®

Consumers Energy Count on Us

Consumers Energy, DTE Energy and National Energy Foundation are working together to bring the **THINK! ENERGY Take Action** energy efficiency program to schools in your area AT NO COST.

Participants **Think!**, **Talk!** and **Take Action!** about energy use by taking part in an in-school presentation and installing, the energy-efficient products provided.

What: FREE *Take Action Kits* for you and your students introduced by a 45 - 60 minute presentation by National Energy Foundation. Teachers receive a classroom mini-grant of up to \$100, subject to eligibility.

When: October 2015

Where: At your school

Who: 4th and/or 6th grade students and teachers

How: Enroll at thinkenergy.org/michigan or call National Energy Foundation at 855.494.2943 if you have questions.

Space is limited so **TAKE ACTION now!**

Think!

Talk!

Take Action!
