THINK! ENERGY with Consumers Energy

The **THINK! ENERGY** program is sponsored by Consumers Energy, the Michigan Department of Education and National Energy Foundation.

For more information visit ThinkEnergy.org/consumers

Purpose or outcomes of the program:

- To assist teachers and students to **Think!** about energy, **Talk!** about energy, and **Take Action!** now about our energy for the future
- To expand and promote energy literacy
- To obtain actual energy savings through student and educator household use of energy efficient devices

How many students and teachers will be participating: over 17,700 fourth and sixth graders in Michigan

When: March and April 2016

The program is correlated to the Michigan Grade Level Content Expectations: correlated for 4 – 6 grade.

About Consumers Energy

Consumers Energy, Michigan's largest utility, is the principal subsidiary of CMS Energy, providing natural gas and electricity to 6.5 million of the state's 10 million residents in all 68 Lower Peninsula counties.
