

Energy Efficiency Student Poster Contest

Official Entry Form

Entries must be postmarked on or before the date found on the website thinkenergy.org/brightideas-poster-contest. If mailing entries, please use the envelope provided. All electronic entries should be submitted through the link on the website.

Entries must include the original poster artwork on the back of this entry form, completely filled out including a parent's/guardian's signature.

Student Name _____

Home Address _____

City _____ State PA Zip _____

Home Telephone (____) _____

School Name _____ Grade _____

School Address _____

City _____ State PA Zip _____

Teacher Email _____

Teacher Name _____ School telephone # (____) _____

Other than student name, teacher name, school and city, submission of personal information is for use by PPL Electric Utilities and the National Energy Foundation (NEF) officials only and will not be made public.

I affirm that this entry is my own original work and grant PPL Electric Utilities and NEF permission to use my work, including my name, in ways they deem appropriate (e.g., recognition, publications, promotions and websites). I understand all entries become the property of PPL Electric Utilities and the NEF and will not be returned.

Student Signature _____

Parent/Guardian Signature (mandatory) _____

Judging Criteria

Entries will be judged on how effectively they communicate the theme of energy efficiency and the visual presentation of that idea.

Entries will be divided into three categories: Grades K - 2, 3 - 5 and 6 - 8. Entries in each category will be evaluated by a panel of independent educators, selected experts, NEF and PPL Electric Utilities employees. Judging will be on a 25 point system and awarded as follows:

1. Poster entry demonstrates artistic, original and creative work: 0 - 10 points
2. Poster entry communicates a clear energy efficiency theme or message: 0 - 10 points
3. Student reflection included on this entry form (limit 40 words): 0 - 5 points

PPL Electric Utilities

Student Reflection

Answer the following question in 40 words or less (must be completed to qualify).

Describe what you learned or what actions you took based on what you learned while working on your poster.
